

Our Ref: 80093221  
Date: 17 Aug. 22  
Subject: Receipt of Technical Documentation, ATEX Directive 2014/34/EU, Article 13b ii

Engineered Controls International LLC  
100 RegO Drive  
Elon  
NC 27244  
USA

Thank you for choosing CSA Certification Service as your notified body for the storage of your technical documents.

The products listed below have been received and will be retained for twelve (12) years from the date of receipt noted above

Manufacturer reference	CSANe/Sira Reference	Subject
	CSANe 21XT261	CroMac LNG Fueling Nozzels

Once in storage, should you wish to add additional or amended documents to this file, please write to us quoting the above reference number (fees apply).

Please contact us 30 days prior to the expiry date to confirm whether you would like to renew storage or not. If we do not hear from you, we will assume that you no longer require this service and will remove the file.

You should note that technical documentation must be retained for ten (10) years after the last date of production.

On behalf of CSA Certification Service

Certification Officer
