<b>MFA250B</b>	Angle					1 <sup>11</sup> / <sub>32</sub> "

# Pressure Gauges Snubber 948GS

## Application

Pressure snubbers protect your pressure gauge from pressure spikes, surges and damaging pulsation. Snubbers extend the life of your pressure gauges because they protect the internal components from seeing harsh spikes and surges that could cause.

# Teflon Seat Angle Valves for Bulk Storage Containers, Transports, Bobtails and Plant Piping TA7500 Series

## Application

Specifically designed to ensure positive shut-off and long, maintenance free service life in liquid or vapor service on bulk storage containers, transports, bobtails, cylinder filling plants and plant piping. The high quality construction and wide variety of sizes make them highly suited for use with LP-Gas, anhydrous ammonia and in the chemical and petrochemical industries.
